New for the Pews!

Church Offerings

With services being suspended we are no longer receiving our normal offerings. To this matter, if you are able at this time, you can still send your offerings to the church. You can send your weekly or Easter offerings, or if you still want to contribute to our Lenten project supporting Inner City Youth Alive to the church. Your offerings can be mailed via Canada Post or dropped off in the mail slot at the church, which is located at the single door on Aikins. If you are unable to get out, we can make arrangements with Bob Wedlake for a pickup from your home mailbox. Just call the church at 204-334-6753 and someone will reach back out to you.

St Matthew's Emergency Foodbank

St Francis continues to support the emergency foodbank run out of St Matthew's, and since the needs have just grown, we'd like to continue supporting them where we can. If you'd like to provide some food items for donation, please call the church at 204-334-6753 and someone will reach back out to you to make pickup arrangements.

WPG Harvest Foodbank @ Mission Centre

We hosted our first foodbank March 28th, with the new precautions in dealing with social distancing. Our next scheduled date is April 24th for delivery and April 25th for distribution. New requirements are no one over the age of 60 is permitted to volunteer in either receiving the food or distribution. We will continue to support this ministry as it is so greatly needed at this time. If you feel you have the ability to assist on Friday delivery days (approximately 12:30-2:30pm), please call the church at 204-334-6753 and someone will reach back out to you.

Easter is Coming!

This week we will be working on a recording to share with our parish, on our website and on our facebook page. Hopefully our parish family will have the ability one way or another to view the recording. You can look to see it posted on our website or via our facebook page, sometime this coming weekend. Go to www.stfranciswinnipeg.com to see shared information from the parish and the diocese.

We do have a limited number of palm crosses that were made and blessed – once we are back at church we will be offering them to those who would like one.
