Dear friends in Christ,

As things become increasingly more unstable at the Russian and Ukrainian border and the threat of war escalates, please be assured of our continued prayers for a safe and peaceful resolution which would allow both countries to coexist in a way that honours the freedom and integrity of all.

As Christians, we believe in the dignity of every human being and we oppose any action either individually or collectively that would diminish that dignity.

We understand the love you have for your homeland and that the last few weeks have been very worrisome for you. We affirm with the apostle that when one member of the body of Christ suffers, we all suffer. It is in that spirit that we offer you these words. We long for the day when “swords can be made into ploughshares” and we can all share in the riches of God’s peaceful and everlasting kingdom.

In Christian love and support,
St. Francis Anglican Church
