

Maundy [Thursday](#)

John 13: 3:6

Jesus, knowing that the Father had given all things into his hands, and that he had come from God and was going to God, rose from supper, laid aside his garments, girded himself with a towel. Then he poured water into a basin, and began to wash the disciple's feet, and to wipe them with a towel with which he had girded.

At this time in Jesus' life, where he knew he would be betrayed he showed the love for his disciples by washing their feet. This year as we face changeling times with the Corona Virus it is difficult for all of us because we are not able to be with our loved ones. Moving forward is a difficult task for each of us. Looking after each other in tough times is a challenge as we share the same love Jesus shared with his disciples in difficult times. Keeping in touch with our loved ones is very important in their lives right now. Jesus showed his love by washing his disciple's feet and we are sharing that love with each other in different ways in difficult times. All of you are in my prayers as we approach Easter in a time of uncertainty.
